SOCIAL SKILLS PLAY GROUPS

What are Social Skills Play Groups?

Social Skills Play Groups are for children between 2 to 6 years of age. We use strategies of Applied Behavior Analysis to increase appropriate social skills and leisure skills.

Sample Skills Addressed:

1. Requesting attention
2. Simple turn taking skills when playing games
3. Sharing items
4. Accepting winning and losing
5. Increasing conversation skills

*Additional goals are developed based on individual needs of the children.

Session Dates and Times:

Days and Times to be determined based upon interest and availability

Services Provided by:

Licensed Psychologists, Board Certified Behavior Analysts, and Post-Doctoral Fellows with extensive experience working with children of all ages and various diagnoses, including ADHD, autism spectrum disorders, and behavior disorders.

Location of Services:
